

Signing up for an HSA puts more money in your pocket!

With an HSA account, you can pay less in taxes and essentially get a discount on your medical expenses.

## An HSA account lets you:

- Set aside a portion of your paycheck before taxes
- Use the funds to pay for uncovered expenses
- Carry over and invest your funds for future expenses

Your HSA funds are yours. They go with you if you change jobs. And, they carry over from year to year, so you don't have to stress about losing them at year-end.
